MSDS AND TPDS. Copies of the Material Safety Data Sheets (MSDS) and Technical Product Data Sheets (TPDS) for any product on the Price List shall be provided by the vendor at no additional charge if requested by the ordering agency.

UNIT PRICES include delivery to destination and all other costs EXCEPT the Hawaii General Excise Tax, currently 4%. Agencies are advised to add the tax to their purchase order total. **General excise tax shall not be applied to delivery charges.**

LINE ITEMS. If more than one product is listed per line item, the ordering agency will have the option of specifying which brand they prefer. The vendor will provide the specified product, if available at the time the order is placed. If it is not available, the vendor shall inform the agency which brand will be supplied to fill their order.

PURCHASE ORDERS must be received by vendor no later than October 31, 1997. It is the responsibility of each State agency to insure that purchase orders are sent to the vendor on a timely basis. Vendor is obliged to accept any order received after the price list expiration date.

Purchases from this price list are for supplies needed by the agency during the price list period. Do not issue purchase orders specifying delivery after the price list expiration date. (This excludes those orders received by the vendor towards the end of the price list period for which delivery may extend beyond the price list expiration date.)

Agencies are encouraged to reduce the number of purchase orders (p.o.) issued by consolidating as many price list items as possible on each p.o. This will reduce your purchase order processing and vendor's delivery costs.

"SPO Price List No. PL 97-09" must be typed on purchase orders issued against this price list.

DELIVERIES for purchase orders totaling \$100.00 or more shall be made within five (5) working days in city limits and seven (7) working days in rural areas following receipt of purchase order by vendor. Purchase orders totaling less than \$100.00 shall be made available to the using agency on a "will call" basis within three (3) working days and delivery shall be made only at the option of the vendor according to his delivery schedule.

VENDOR is obliged to deliver the items on this price list. Agencies are advised that if an order is placed and a vendor is unable to deliver within the time allowed for delivery the agency should arrange with the vendor for an acceptable substitute. Vendor shall deliver an acceptable substitute at the prices listed after prior approval has been given by the ordering agency.

All

substitute products shall be asbestos free.
